CPD Overview

As a global leader in manufacturing and distributing innovative building solutions, FAKRO specialises in a range of products including pitched roof windows, flat roof windows, rooflights, sun tunnels, wooden loft ladders, metal loft ladders, and internal and external accessories.

With our Technical Department located at our GB Head Office in Swadlincote, Derbyshire, and a team of Business Development and Specification Managers spread across the UK, FAKRO GB is committed to providing comprehensive support and advice to architects and designers.

Our commitment to innovation is a key driver behind our success in the industry. Here are some factors contributing to our reputation as a leader in innovation:

By leveraging these drivers of innovation, FAKRO not only maintains its position as a world leader in the industry but also continues to drive positive change and make meaningful contributions to the built environment.
