Burning Questions: Timber Fire Door Sets

This CPD looks at the specification of timber fire doors. It will help you to understand the following topics:

- The need for fire doors in buildings
- The range of options available
- How to interpret fire test information, deciding what is best for your project
- Checks on site and service life information

Material type: Seminar

RIBA Core Curriculum: **Design, construction and technology**
Health, safety and wellbeing

Knowledge level: General Awareness
