The Evolution of Luxury Vinyl Flooring: Past Present Future

This CPD explores the rise in specification of Luxury Vinyl Flooring (LVT). Topics discussed include trends in LVT, the market growth and presence of LVT, industry awareness and product options, and the environmental performance of LVT. By the end of the CPD you should have a greater understanding of:

- The growth in use and specification of LVT
- The various product performance features and benefits
- Slip ratings
- Design features and benefits
- What the future may hold for LVT

This CPD can be delivered to you live and remotely
