CPD Overview

Based in Oldham Lancashire, Dacatie Building Solutions manufactures and supplies a range of insulated cavity closers for the UK construction market.

The Dacatie brand gives specifiers and building contractors the assurance of the essential Building Regulation compliance in the construction of cavity walls in the area of reveals around windows and doors.

The Dacatie profiles are extruded from reconstituted PVC-U and include insulation of EPS, XPS or mineral wool. All of which are CFC free and are zero rated for Ozone Depletion Potential (ODP).

The company is ISO 9001 approved and is committed to the implementation of systems and processes which enhance the environment. Dacatie Insulated Cavity Closers have British Board of Agreement (BBA) Certificates.

Available CPD Material (1)

Close that Cavity: Specifying Insulated Cavity Closer Around Window and Door Reveals

Dealing with general building regulation issues around reveals at windows and doors, including specification solutions.

- Heat loss and weather rating concerns
- Fire safety considerations
- Cavity width variations
- Environmental considerations
