CPD Overview

Baumit is one of the leading European brands for sustainable plaster, render and external wall insulation for the construction industry. Founded in Austria in 1988, Baumit now has a presence in over 30 countries worldwide.

Baumit UK offer an extensive range of innovative, tested products, including BBA approved EWI systems, façade renders, paints and healthy living indoor plasters. Product research, development and innovation, combined with excellent customer service are an important part of the Baumit values, and we work in close cooperation with our partners to ensure every project is a success.
