CPD Overview

Alutec is the UK leader in innovative aluminium rainwater and eaves solutions. Alutec prides itself in setting industry leading standards in technical support, customer service and sustainable product design.

Alutec is part of Aliaxis, a multi-national group of plumbing and drainage companies. Aliaxis is present in over 40 countries around the world.

Available CPD Material (2)

Aluminium Rainwater, Fascia and Soffit Systems (Durable Eaves Solutions)

Develop knowledge about the credentials of aluminium

- What to consider when designing eaves systems
- Familiarise specifiers with the application of aluminium composite fascia and soffit
- Learn about the standards and accreditations for aluminium rainwater systems

Material type:

Article

RIBA Core Curriculum:

Design, construction and technology

Knowledge level:

General Awareness

Aluminium Rainwater, Fascia and Soffit Systems (Durable Eaves Solutions)

Alutec's CPD gives an insight into aluminium rainwater and fascia and soffit systems:

- Overview of environmental aspects, benefits and properties of aluminium
- Correct system design and cost considerations
- Brief overview of Alutec product ranges
- Available technical and installation support

Material type: Seminar

RIBA Core Curriculum: **Design, construction and technology**

Knowledge level: General Awareness
