CPD Overview

Inspired Surfaces are creative partners, working in collaboration with Architects, Designers and Specifiers to supply specification led interior products.

Proud members of the British Aviation Group (BAG) and British Contract Furnishing Association (BCFA), Inspired Surfaces are an FSC accredited business.

Driven by design innovation with surface materials, Inspired Surfaces have a product portfolio of unique, contemporary, performance driven interior wallcovering solutions.

Inspired Surfaces - Creative Partners.

Available CPD Material (1)

Engineered Real Wood Veneer: An Innovative Wallcovering

The seminar identifies a unique solution for specifying wood for interior design applications. It will provide a sound understanding of the following key aspects:

- Material construction
- Application capabilities
- Economical considerations
- Environmental benefits
- Design inspiration

Material type:

Seminar

RIBA Core Curriculum:

Design, construction and technology

Knowledge level:

General Awareness

Classifications

Subject/Product Areas (CI/SfB)

Structure

Internal walls, partitions > Cubicles, washroom panels

Finishes

Finishes > Wood and wood-based panels

Wall finishes: external > Wall cladding panels

Wall finishes: external > Composite wall cladding panels

Wall finishes: internal > Wood internal wall finishes

Wall finishes: internal > Composite wall lining systems
