## CPD Overview

---

For nearly 40 years, Inpro has been manufacturing door + wall protection systems, expansion joints and privacy curtains.

We believe a building says a lot about you; especially what it looks like and how it functions.

We're obsessed with protecting your design, contact Inpro for more information.

### Wall, Corner and Door Protection Systems

This seminar looks at wall, corner and door protection systems. It will help you to understand the following topics:

- Understand when and where you should specify a protection system
- Understand the latest standards and guidance and how they should affect your specification
- Understand the different types of protection available
- Understand how to specify a complete protection system

Material type: Seminar

RIBA Core Curriculum: **Design, construction and technology**

Knowledge level: General Awareness
