## CPD Overview

---

Tarmac is one of the UK's leading sustainable building materials and construction solutions businesses.

They have over 150 years of experience and directly employ around 6,900 people across a nationwide network of over 330 sites.

Incorporating the Tarmac and Blue Circle brands, they supply a wide range of market leading products including asphalts, aggregates, readymix concretes, blocks, mortars, screeds, cements, limes and specialist landscaping solutions.

Tarmac Contracting is also a trusted partner on a wide range of national contracts and infrastructure projects, building, managing and maintaining the UK's highway assets.
